

FREEZER BURN 2017 SURVIVAL GUIDE

**WHERE
THE WILD
THINGS
ROAM**

THE 10 PRINCIPLES

Radical Inclusion

Anyone may be a part of Burning Man. We welcome and respect the stranger. No prerequisites exist for participation in our community.

Gifting

Burning Man is devoted to acts of gift giving. The value of a gift is unconditional. Gifting does not contemplate a return or an exchange for something of equal value.

Decommodification

In order to preserve the spirit of gifting, our community seeks to create social environments that are unmediated by commercial sponsorships, transactions, or advertising. We stand ready to protect our culture from such exploitation. We resist the substitution of consumption for participatory experience.

Radical Self-reliance

Burning Man encourages the individual to discover, exercise and rely on his or her inner resources.

Radical Self-expression

Radical self-expression arises from the unique gifts of the individual. No one other than the individual or a collaborating group can determine its content. It is offered as a gift to others. In this spirit, the giver should respect the rights and liberties of the recipient.

Communal Effort

Our community values creative cooperation and collaboration. We strive to produce, promote & protect social networks, public spaces, works of art, and methods of communication that support such interaction.

Civic Responsibility

We value civil society. Community members who organize events should assume responsibility for public welfare and endeavor to communicate civic responsibilities to participants. They must also assume responsibility for conducting events in accordance with local, provincial and federal laws.

Leaving No Trace

Our community respects the environment. We are committed to leaving no physical trace of our activities where we gather. We clean up after ourselves and endeavor, whenever possible, to leave such places in a better state than when we found them.

Participation

Our community is committed to a radically participatory ethic. We believe that transformative change, whether in the individual or in society, can occur only through the medium of deeply personal participation. We achieve being through doing. Everyone is invited to work. Everyone is invited to play. We make the world real through actions that open the heart.

Immediacy

Immediate experience is, in many ways, the most important touchstone of value in our culture. We seek to overcome barriers that stand between us and a recognition of our inner selves, the reality of those around us, participation in society, and contact with a natural world exceeding human powers. No idea can substitute for this experience.

It is of **CRITICAL IMPORTANCE** that you read this guide **BEFORE** attending *Freezer Burn 2017: Where the Wild Things Roam*.

We need you to be **WELL INFORMED** so every participant has a great experience. This guide will help you to:

- Know what to do in case of an emergency (call 911 or find **First Response**, see *Section 1* below)
- ENSURE YOU HAVE YOUR TICKET (no Gate sales, *pg 5*)
- Respect our community and Freezer Burn participants (read our **Code of Conduct**, *pgs 6-7*)
- Come prepared (see our **Packing Checklist**, *pg 10*)
- Enjoy Freezer Burn safely

Please make sure **EVERYONE** in your group reads this Survival Guide prior to Freezer Burn.

SECTION 1: FIRST RESPONSE

Location at Event: EAST OF THE GREETER'S STATION

(look for this symbol)

1. **First Aid/EMT**
2. **Rangers**
3. **Sanctuary**
4. **Oracle**

(see *pg 4* for details)

These volunteer and professional teams provide not only medical and safety but other support. Our First Response teams are essential to the success of this event!

First Response Camp

Camp Location: EAST of the Greeter's Station

Hours: Available for the duration of the event

Our First Response crew is equipped with radios and, in the event of an emergency, will direct outside emergency services to the site.

**In the event of a life-threatening emergency,
if you have a cell phone CALL 911
and then locate a Ranger right away.**

In a choice between tearing your tent apart to find a cell phone and spreading out to find a Ranger, please enlist the help of other participants to find a Ranger.

There are reports of comfy chairs and a fire at First Response Camp so come and meet, heckle, tease, feed, gift, and hang out for a while!

Volunteer and Professional Crews centralized at this camp:

1. First Aid/EMT

First Aid: Volunteers with first aid training will assist you in case of medical emergencies (either at the First Response camp or wherever needed).

- Trained volunteers will be on hand pre- and post-event (early entry and exodus)

EMTs: During the official event period, medical services will be provided by professional EMTs.

- They know what they are talking about, so keep that in mind when they advise you on the best way to keep healthy
- Be respectful—they have the authority to have you removed from the event

2. Rangers

- Rangers are the eyes and ears of the event
- Please call out (literally) to a Ranger for help in the event of an emergency or problem
- They are there to facilitate a positive and safe environment for fellow participants, including conflict resolution

3. Sanctuary

- A safe, supportive, confidential place and headspace away from overstimulation, unusual/unexpected sights, sounds, and situations if needed
- So if you start to feel overwhelmed—especially if in crisis—look within yourself, your camp-mates, and sanctuary

4. Oracle

- You will see them with walkie-talkies at First Response camp or roaming around
- Oracle volunteers, using radio dispatch, are the nexus of information for both volunteers and participants

SECTION 2: TICKET INFORMATION

Ticket Sales

There are **NO** ticket sales at the Gate. **ZERO.**

Gate doesn't care about why you are special. You **NEED** a hard copy ticket when you arrive at the Gate.

Ticket Swaps

You may sell your hard copy ticket at any time for no more than face value. If you sell or gift your ticket, **make sure this Survival Guide is passed along.** It is just as important as the ticket.

The Ticket Information Exchange Program (TIES): Helps match ticket sellers with volunteers who need tickets. If you have tickets that you're not using, this is a great way to ensure they get placed with volunteers who need them. To buy a resale ticket through this program, you must be signed up as a volunteer. If you're interested in selling your ticket, please email freezerburntickets@gmail.com for information.

ID

You need to present your **photo ID** with ticket.

Kids

All kids 12 and under are free (but **MUST** be registered in advance or at the Gate) so that we can account for every individual onsite.

SECTION 3: RESPECTING OUR COMMUNITY

The Ten Principles

Our community ethos is built on The Ten Principles, a set of commonly understood values reflected in the Burning Man experience. Burning Man Founder Larry Harvey wrote the 10 Principles in 2004 not as a dictate but as a reflection of the community's ethos and culture as it had organically developed since the event's inception. (Please get to know our ethos and culture by taking your time perusing *The 10 Principles*, pg 2).

Boundaries and Consent

- Ask! Don't assume someone is comfortable with your physical touch, attention, photo/video documentation
- Communicate your perception, comfort level, expectations, boundaries
- Respect the moment (comfort levels may vary at different times with different people)
- Get Consent! **NO** means **NO**. **YES** means **YES!** Verbal consent is hot!
- Consent isn't about not hearing "no", it's about hearing an enthusiastic "YES!"
- If someone has made it clear they are not interested—further cajoling, pleading, begging, guilt, shaming, etc. is unacceptable
- Use your head, find an enthusiastic partner, and make decisions that don't harm others
- Above all, remember: Under Canadian law, a person under the influence of drugs or alcohol cannot consent to sexual contact
- If you need to address a consent issue, please find a First Response volunteer for information/support

Code of Conduct

Freezer Burn Code of Conduct

Freezer Burn, produced by the League of Extraordinary Albertans Society (LEA), expects attendees and volunteers to create and maintain a space that is welcoming for all ticketed attendees. We do not discriminate on gender, sexual orientation, disability, ethnicity, socioeconomic status, age, or religion.

We are guided by the **Burning Man 10 Principles**. When in conflict with other participants, we use **FLAME**: **F**ind out, **L**isten, **A**nalyze, **M**ediate, **E**xplain.

Participation in this event is open to all ticketed attendees, but participation is a privilege. Continued attendance can be revoked if a participant fails to respect other attendees or behaves in a way that endangers themselves, the event, or the broader community.

Expected behaviour includes, but is not limited to:

- Consent has the support of our whole community. You are obligated to get someone's consent in a sexual context, in a situation involving video or photography, or in any situation affecting the experience of another person at Freezer Burn.
- Be considerate and respectful of fellow participants and the community around the event.
- Refrain from nonconsensual demeaning, discriminatory, or harassing behaviour.
- Be mindful of your surroundings and of your fellow participant's safety.

Unacceptable behaviour includes but is not limited to:

- Predatory behaviour, defined as any unwanted and nonconsensual form of the following: intimidation, harassment, stalking, verbal or physical abuse, violence against people or other's property.
- Nonconsensual physical contact, including unwelcome sexual interaction.
- Abuse or neglect of LEA or Freezer Burn property, physical or otherwise, such as vandalism, theft of event property, abusing the ticketing process, or impersonating a lead or event organizers.
- Disrespecting the community surrounding the event such as dumping trash in local dumpsters, trespassing, or repeated violations of the event's sound ordinance.
- Wanton, flagrant, or repeated disregard for one's own safety or wellbeing in a manner that demands the intervention of other participants, community members, volunteers or outside agencies, such as intervention by local law enforcement or fire department staff.
- Repeated or egregious violations of any and all policies put in effect by event organizers.

Consequences of unacceptable behaviour:

Unacceptable behaviour will not be tolerated. This includes expressions of this behaviour at the event as well as pre- or post-event via phone, social media, or face-to-face communication.

Anyone asked to stop unacceptable behaviour is expected to comply immediately.

If a participant engages in unacceptable behaviours, the event organizers may take any action they deem appropriate to ensure the safety of the event and its participants. This action may include expulsion from the event without refund, revoking tickets, or removing a volunteer from their shift.

If a participant's behaviour does not comply with this code of conduct or puts the future of the event at risk, a suspension for the present or following years may be instituted. Decisions around expulsions or suspensions are not permanent, and opportunities to appeal may take place in cases where progress to resolution is demonstrated. The processes of an appeal and its timeline will be determined by the LEA and will take place between members of the Board and the party who has been suspended.

LEA or individuals may pursue potential legal action.

What to do if you witness or are subjected to unacceptable behaviour:

If you are subjected to unacceptable behaviour, notice that someone else is being subjected to it, or have any other concerns:

- First, speak up. Ask the person to stop. Say no.
- If you feel unsafe, leave the situation.
- If you feel uncomfortable but the person's behaviour does not cross a line, step away from the situation.
- If you need help, ask for it. If someone asks you for help, do your best to help or find someone who can.
- Report your concerns to a Ranger, Freezer Burn Producer, or LEA Board Member; these individuals are prepared to assist participants and listen to your concerns. All reports will remain confidential.
- If you would like to call in law enforcement or need professional medical treatment, Freezer Burn will support you taking that action.

We thank you in advance for your adherence to this code of conduct. Together we can create an event and community that is welcoming for all participants.

Kids at Freezer Burn

Freezer Burn prides itself on being a family-friendly event.

- Participants, please be aware of who may be watching your behaviour and conduct yourselves accordingly. Parents, please be aware there may be mature themed activities and camps. Participants may not be aware of kids watching or may not wish to curtail their own free expression to accommodate minors.
- People UNDER the age of 18 years old MUST be accompanied by a person OVER the age of 18 years old throughout the duration of the event. If you fail to adequately supervise minors in your care, you will be ejected from Freezer Burn immediately, no exceptions.
- Parents, we understand that sometimes kids will “lose you”. Be sure they know where First Response is and how to recognize a Ranger. Read this Survival Guide with them.
- Although children 12 and under enter for free, they should be registered prior to arriving at the Gate by emailing freezerburntickets@gmail.com by June 15.

KIDS OF ALL AGES AT FREEZER BURN 2016

Kidsville

Children are an essential part of our community at Freezer Burn and we hope to make the family experience better every year. If you would like to camp with Kidsville, please register by May 1st by sending an email to freezerburnkidsville@gmail.com. Please include your names and the rough footprint you will require for your camping structures so we can reserve enough space. We cannot guarantee you a spot if we don't hear from you by May 1st.

Freezer Burn Media Policy

Freezer Burn is a private event, and photographers, videographers and documentarians wishing to capture images intended for public distribution are required to sign use agreements that will be emailed upon approval of a project. Our review and written permission is required to use any image from the event publicly regardless of its commercial intent; no public use of images is allowed without this written consent.

If you are shooting film or video only to show your friends and family, you do not need to register as press. Personal use still cameras—cameras which use film or digital means and only capture still imagery—are permitted and do not require a written agreement, but any image use beyond personal use must be approved in writing post-event.

PLEASE BE RESPECTFUL. Freezer Burn is a place for Radical Self-Expression. **ASK!** Do not assume that every participant is comfortable with photo/video documentation of their experiences. If you are uncomfortable with being photographed, respectfully let the photographer know. If you need help speaking up, ask for a Ranger.

To apply for a Media Pass, go to www.freezerburn.org/apply-for-a-media-pass/.

SECTION 4: PREPARING FOR FREEZER BURN

What's the Weather Like?

- Well, it's June in Alberta! It could be sunny, rainy, and windy all on the same day; nights are still cold and it could hail! In fact, tents, awnings, and even entire carports have been wrecked or blown away at Freezer Burn, so please stake down your structures!
- Check weather patterns before you pack

What's On-Site?

- Porta-Potties (Please be respectful and use the porta-potties provided.)
 - If it wasn't made by your body, don't put it in the potty.
 - Use only single-ply toilet paper.
 - No tampons, wipes, or trash! (Ziplocks, pack 'em in, pack 'em out, old school.)
 - Lid down when you're done!
 - And due to the delicate eco-system of the ranch, do NOT use the general area as your toilet—pissing included
- Fire pits in designated areas (NO fires at camp sites; camp stoves or BBQs only)
 - Intended for cooking food or hanging out
 - Will be managed by ranch owners in part, but are the responsibility of every participant. If you are enjoying a bonfire at any time, please ensure that one person is committed to tending to it or extinguishing it when it's no longer being used. No fire should be left unattended, especially at the end of the event if participants are burning excess wood
 - Please take care to keep the area clean
- The Battle River (As we are camping close-by, be cautious of water-levels and keep a close eye on children.)

A RIVER RUNS
THROUGH IT:
KEEP A CLOSE
EYE ON CHILDREN
WHILE AT
FREEZER BURN

What's NOT On-Site?

- RV hookups, power, electricity, etc
- Running water (no showers)
- Food vendors
- Picnic tables

Packing for Freezer Burn

We've created a handy **Packing Checklist**, *pg 10*. Use this checklist when you are packing, so that you are well prepared for surviving and thriving at Freezer Burn.

This checklist contains:

- What **you MUST bring** (ticket, photo ID, food, water, shelter, etc.)
- What we **STRONGLY SUGGEST you bring** (bring-your-own-cup, ear plugs, costumes, etc.)
- List of **DO NOT bring** items (for more specific details on what you are not permitted to bring to Freezer Burn and some special cases, please see the section following our Packing Checklist, **DO NOT Bring Detailed List**, *pg 11*)

Packing Checklist

You MUST Bring

- Your ticket and Photo ID
- Adequate fresh water for 5 days for drinking, washing, and cooking
- A reusable water bottle to keep with you at all times
- Adequate food & beverages for 6 days: there are no food vendors
- A first-aid kit
- Shelter (at least a tent)
- Warm clothing for evenings
- Rain gear to keep dry
- Warm bedding
- Garbage and recycling bags
- Containers to collect and carry out grey water
- Flashlight, headlamp, and extra batteries
- Sunscreen/sunblock, sunglasses
- Bug repellent
- Portable ashtrays if you smoke (e.g. mint tin that closes securely). Leave no trace!
- Fire extinguisher to protect your camp
- Common sense, an open mind, and a positive attitude!

STRONGLY SUGGEST You Bring

- A travel mug, plate and utensils
- Wind and shade structure
- A hat and rubber boots
- A cooking stove and cookware
- Towels
- Single-ply toilet paper
- Ear plugs
- Costumes
- Lights for your bike and person for safe nighttime travel

- Items that create MOOP (Matter Out Of Place)
 - Feathers (boas, headdresses, etc.), tinsel, glued-on sparkly things, carpets without treated edges, or anything that will break up and/or blow away (styrofoam, excessive paper, etc.)

SECTION 5: GETTING THERE AND GETTING IN

Geographic Location

Freezer Burn is hosted on a private ranch between Edmonton and Calgary. The exact location is provided with your ticket purchase. Ticket buyers will be emailed directions approximately one week before the event.

Carpool

Plan to carpool, if you can! Parking may be tight this year, so the fewer vehicles the better. And you can discuss your awesome new costume with your new friend!

Vehicle Search

Upon arrival, all vehicles are subject to searches (for safety and accountability). Gate will be looking for things you cannot bring into Freezer Burn.

You **CANNOT** bring:

- Dogs/Non-human pets of any kind
- People without tickets
- Weapons (you will not need an axe)
- Fireworks
- Hand-held lasers

Parking

Camping space is limited. All vehicles not used as a main camping shelter **MUST** be parked in a designated parking area. Vehicles that will be your sleeping structure must have a Vehicle Sleeping Pass. Please ask for your Vehicle Sleeping Pass at Gate or from a Placement volunteer. Vehicles in the camping area without a Vehicle Sleeping Pass, or with a Sleeping Pass yet obviously not sleeping structures, will be towed at the owner's expense.

Wristbands

All participants will receive a wristband that **MUST BE WORN ALL WEEKEND**. Participants found **NOT** wearing a wristband risk being removed from the event. Keep your ticket stub, just in case you lose your wristband. See the Oracle or Gate if you lose your wristband. Those under 18 will have a distinctive wristband as well.

Gate

Please be respectful of our neighbours and hosts: plan to arrive or depart **ONLY** within Gate hours. Thursday at 10 am is the earliest you can show up! If you arrive outside of Gate hours you will be turned away and should **NEVER** park on the public road to wait for the Gate to open. If you have an emergency and need to exit outside of Gate hours, please go to First Response; they will help facilitate your exit.

Ready for Gate? Get your photo ID out, and be ready to read and sign a waiver. Stay in your vehicle unless otherwise directed by a Gate volunteer. Ain't no huggin' at Gate!

GATE HOURS

Do not show up early! Do not park on the road!

Wednesday June 21 (Early entry for pre-approved set-up/DPW individuals only): 10 am to 8 pm

Thursday June 22: 10 am to midnight

Friday June 23: 10 am to midnight

Saturday June 24: 10 am to 8 pm

Sunday June 25: 10 am to 8 pm

Monday June 26: Exodus only, no new entry. Starting at 9 am, all participants must be off the property by 3 pm (with the exception of the final LNT crew, and those pre-approved by organizers)

We want you to get home safely. **If you are driving, please be sober and alert.**

Once through the Gate, stop at the...

Greeter Station

- Now you can get out of your vehicle!
- Give your volunteers a hug!
- Let the greeters know if you are with a Theme Camp or not, (these are mapped out in advance) or would like kids area, quiet area, etc.
- Receive a hard copy of the *What Where When* guide, Fraya map and official sticker.

SECTION 6: ENJOYING THE FESTIVAL SAFELY

Fire Safety

At Freezer Burn, we pride ourselves on being dedicated to representing the ultimate in fire safety. During the burning of any large scale art (e.g. Effigy and Temple), volunteers will be working hard to keep everyone safe and outside of the burn perimeters. Please show them respect and do not cross the burn perimeter lines.

To bring any art that has to do with fire (especially propane) please get in touch with Fire Safety at freezerburnfiresafety@gmail.com to get it registered.

In case of emergency, call out for a Ranger.

- Fire spinning is permitted in designated areas at certain times—check *What Where When* guide for when and where.
- NO fires at your camp. (Gather at designated fire pits instead.)
- Camp stoves and BBQs are ok but keep a safe distance from tents. (Canvas is lovely yet flammable.)
- Do NOT smoke in your tents!
- Fun fur and fire do not mix! Be careful of fancy costumes around open flames, no matter how small.

FIRE CONCLAVE, FREEZER BURN 2016

Effigy

Burn Time: Saturday night (after sundown; which could be as late as 11 pm)

Please respect the time and effort to build the art piece. Refrain from climbing (unless otherwise instructed). Do not smoke near, use open flame, or otherwise intentionally damage the Effigy.

The Temple

Burn Time: Sunday night (after sundown; which could be as late as 11 pm)

- A quiet reverent place to be present, reflect, contemplate, release, etc.
- Also a place to leave notes/offerings on (or in) which will be burned with the temple
- Please secure offerings from blowing away, getting wet, etc.

Mutant Vehicles (AKA Art Cars)

You must complete the application and receive approval from the DMV—apply at www.freezerburn.org (Mutant Vehicle Application page) before May 15.

- Must be inspected by DMV once on site, and display a DMV issued license
- Speed limit is 5 km/hr
- MUST yield to everyone
- MUST have a sober driver when in motion

Please do not try to run and jump onto a moving art car; instead feel free to wave, holler, dance, wiggle, or offer treats until an art car comes to a complete stop and invites you aboard. If you'd like to get off of a moving vehicle, ask the driver to stop first.

UNHOLY GRINDHOUSE IN 2016

Amplified Sound

- Regardless of big/small, all Theme Camps using sound MUST register and get a sound permit
- Register at www.freezerburn.org (Sound Camp registration page)

Sound is an important part and integral medium for much of the artistic expression both highly encouraged and appreciated by the Freezer Burn community. Here's details:

- **Three Levels of Sound:**
 - Large sound based camps
 - Other Theme Camps (using sound but not audible more than one camp away)
 - Campers and their mobile sound devices
- **Sound Policy:** Designed to inform what the limits and guidelines are to protect ears and future events—for a copy, please visit www.freezerburn.org (Sound Camp registration page)
- **The Sound Marshall:** Establishes decibel level and monitors all Sound Camps—if your camp violates the decibel level you could lose your permit for the weekend

Leaving No Trace

We love you but you must be off property and out of the gate by 3 pm Monday.

This allows DPW and LNT volunteers time to finish site restoration.

- We must leave the site in better condition than we found it, leaving zero evidence of our presence
- Please remove ALL items you bring including:
 - Trash
 - Recycling
 - Food Waste
 - Grey Water (DO NOT drain on site!)
 - Cigarette butts/other litter-y remnants around you
- In the spirit of Matter Out Of Place (MOOP), please pick up anything that should not be on the ground. (Many hands make light work!)
- And as you leave, please DO NOT leave anything at the side of the road! Source sani dumps before you arrive/leave and dump grey water there
- Do your part! If you enjoyed the common areas and the stages, do a MOOP sweep of those areas before you leave
- When you walk the paths, the parking lots, and camping areas, keep an eye out and pick up MOOP

SECTION 7: VOLUNTEERING
