Studio Dubmarine

80,000 leagues under the sea there lies a forgotten party of epic proportions. This year, the spirit of disco lives in depths so deep you'll need a diving dubmarine to get there.

Repose in the elegance of the Yellow Dubmarine, Alberta's defining RV dancefloor experience. Just outside its door enter the all encompassing memory making space of Studio 84, 360 degrees of bangin' house and techno.

Bub The Mutant Vehicle- Troy Alton

The Lil' Capt'n- The Yellow Dubmarine Crew

Ahoy Ye Matees! Have ye fallen overboard or is this the luckiest day of your life? It's the smallest lil Pirate ship that you ever did see--it's the Lil' Capt'n! If you see the capt'n without a bird, make sure to flip them the bird and they will give you some booty! If they do have their loyal parrot then you will see a bird in return.

Turbo Picnic- Starr & Lentil

Turbo Picnic is a six-seat mutant vehicle that will be on the Fraya both day and night. Catch Turbo Picnic at the right time, in the right place for an experience you won't soon forget!
